Dear TEAGA Members,

In 2019, we honor 50 years of the TEAGA Journal. As we look back on the past and forward to the future, we are grateful for our members and the contributions they have made to our organization.

This year we are proud to announce the introduction of the new TEAGA Newsletter. This publication will be available on our website and through email. It will feature articles, updates on upcoming events, and opportunities for members to connect with each other.

We would like to extend a special thanks to the volunteer editors and contributors who have made this possible. Their hard work and dedication have made the new newsletter a reality.

As we move forward into the new year, we encourage all members to get involved and contribute to our organization. Whether it is through volunteering, participating in events, or providing feedback on the new newsletter, we welcome your input.

Thank you for your support and we look forward to an exciting year.

Sincerely,
