President  Norm Clarke  453-3010  453-3024
Vice President  Jim Cooper  659-0420  659-0423
Secretary  John Azzopardi  451-5100  451-8726
Treasurer  Dennis Dawe  679-8660  679-2145
January Meeting Topic:

Ontario Operating Engineers’ Act

Bengt Sormon, P.Eng., MBA, chairman of the HRAI KCI Taskgroup will give an overview of the Ontario Operating Engineers’ Act and the current proposed changes to allow unattended operation of refrigeration machinery (HVAC and process) beyond the current limits.

Everyone involved in designing, specifying and purchasing refrigeration equipment should make an effort to attend this presentation as the proposed changes will have a significant beneficial effect on the industry.

Bengt Sormon’s career with Trane Canada spans more than 38 years during which time he has been involved in marketing, engineering, manufacturing and regulatory affairs.

February Meeting Preview:

Ron Gangisch of Roberts-Gordon Inc will discuss the fundamentals of infrared heating from both an appliance and design point of view. The issues of equipment efficiency will be discussed and if time permits, a review of applications and design specifics will be included.

President’s Message:

I hope everyone had a good holiday and is looking forward to 1999. Our past November joint meeting with Architects and building owners was well attended was well attended by our ASHRAE members and it appeared to me that our group was the largest in attendance. Bill Fyfe certainly didn’t let us down!

This month’s talk on the current proposed changes to the Ontario Operating Engineers’ Act has particular relevance to our industry and is a very timely topic that you won’t want to miss.

Finally, January is the time of the ASHRAE Winter Meeting in Chicago. Those of you planning to attend, may want to check out the December ASHRAE Journal for information on technical sessions, seminars and forums that are being offered.
Membership:

If you have not already done so, please forward your chapter dues and meal plan cheques to Tom Pollard. Chapter dues ($35.00) may be paid with your society registration to Atlanta. Note that the meal plan rate increases from $140.00 to $160.00 on Nov. 30/98.

We are also interested in new Society and Chapter members. If you know of anyone that may be interested in joining ASHRAE, feel free to invite them to a meeting or let me know and we will explain what ASHRAE is about.

Internet:

The ASHRAE Society operates a web site at www.ashrae.org. Members can access additional information at the site if they have their card with their pin number. The London chapter is also starting a web site at www.execulink.com/~tpollard/ashrae.html which will have postings about the monthly meetings. Check these sites out and let us know what you think. If you are currently receiving the newsletter by fax and are able to receive by e-mail please notify Tom Pollard.

Students:

Those Students having difficulty arranging transportation to ASHRAE London Chapter meetings are encouraged to contact any Board of Governor or Committee Chair member to arrange a ride. We would be more than happy to provide this service for you!

Business Card Advertising:

It's that time of year again, those currently advertising business cards in the newsletter are asked to renew at a cost of $100.00. Please make payable to ASHRAE London Chapter, and remit payment to Reception at the January meeting. Prompt payment is a must or we will be forced to take your card out of the newsletter. Anyone who is interested in advertising please contact Scott Turner to have your card put in, we currently have a couple of empty spots.
