GENERAL MEETING DATES

MAY 26th, 1980

REGULAR MEETING & TOUR

**FIBERGLAS CANADA
PLANT — SARNIA**

Tuesday, April 29th, 1980

BUS DEPARTS 1:15, WESTOWN PLAZA

April Meeting

Note: The meeting date is TUESDAY, April 29. A tour of the Fiberglas Canada plant, and a dinner meeting at the Canterbury Inn in Sarnia are on the agenda. Members and guests are requested to meet for the bus at 1:00 PM in front of the Canadian Tire store in the Westown Plaza. After the tour we will head for the Canterbury Inn for a 5:30 PM reception, and dinner at 6:30 PM. Registration fees for this meeting will be as follows:

Dinner Meeting	— Guests	\$10.00
Dinner Meeting	— Out of town members	8.00
Bus Trip	— Members and Guests	10.00

Refreshments will be available on the bus from our Research and Promotion committee. This meeting promises to outdo all of our previous tours, so be there.

Last months meeting on March 31st was attended by 30 members and 20 guests. The speaker was Lorne Richards of Hewlett Packard and those present heard an interesting discussion and saw a demonstration of "Computer applications in Engineering".

Nominating Committee

Please note that any nominations from members may be submitted in writing to Wayne Barker prior to our April meeting. Other nominations will be accepted from the floor at that meeting. The 1980-81 Chapter Officers will be presented at that time. Installation of officers will be carried out at the May Meeting.

CRC-80

Another reminder to Committee Chairmen - it is hoped that as many as possible will be able to attend. The place is Moncton, New Brunswick - the dates are May 21 to 24.

May Meeting

We are most fortunate to have Joseph Olivieri from Detroit who will speak to us at the May Meeting on Monday, May 26. Mr. Olivieri is well known to our industry and we know his talk will be of great interest to all members. Watch for further details.

Research & Promotion

This aggressive Committee, under the leadership of Bill Mitchell, reports that they are fast approaching their target. Any members whose companies are still considering participation are requested to put in a good word with the "Boss" - we all depend on these funds to continue the development of our technology.

P.S. Your Research & Promotion Committee is also looking after "refreshments" on the bus trip to Sarnia - make sure you are there to support them.

Annual Fishing Trip

The date for this popular event has been set for Thursday, July 24th. Further details will follow but be sure and mark this date on your calendar now!
