Guest Speaker

ERIC MATSON, P.E.
Design Engineer with Carrier Syracuse
Marketing System Division

Speaking on:
Carrier Plans in the Utilization of E-2011 Computer Programs
for the Air Conditioning System Designer

The speaker for the October meeting shall be **Mr. Eric Matson**, P. Eng. of Carrier Corporation. He is located at the Syracuse office and has spent the last few years in charge of a program to develop a computer system that can be utilized by designers in the selection and design of the best air conditioning system for a specific building. This will tie in with the existing computer programs for selection coils chillers etc. . . . any designer who has utilized Carrier's System Design manual in the past will anticipate the same practical expertise in this computer program. **Mr. Jim McKnight** the Canadian representative will also accompany Mr. Matson and will be able to deal with any problems directly related to the Canadian application of the program.

Do not forget that our November program is Ladies Night. Circle the date on your calendar and don't forget to bring your wife and/or girlfriend.

The following letter has been received by our President:

ASHRAE, Toronto Chapter, would like to invite members of your chapter to participate in our special events activities. Specifically, there are three major activities during the course of the year, in which we would like to stimulate competition between the various region 2 chapters. Our curling day is on **Friday, November 27th**. Curling is open to members of chapter only. Our cross country ski day, which is open to both members and their families is on **January 30th**. Our golf tournament is on **Thursday, June 24th, 1982**. We request that any interested parties that wish to participate in these activities get in contact with **Mr. Ron Anderson**, Chairman of the Special Events Committee. Mr. Anderson may be reached c/o Tubecraft of Canada Limited, 166 Disco Road, Rexdale, Ontario M9W 1M4, Telephone Number 675-1691.

We trust that your members will rise to the challenge, and endeavor to go home with our trophies. We must be made aware of your members participation, not later than one month prior to the event, such that we might make suitable arrangements.

The following has been accepted in Society Membership. We congratulate them and invite them to join our Chapter:
