GREETINGS TO ALL LOCAL NATIONAL ASHRAE MEMBERS

TO: All National ASHRAE members who live in the London area and are as of yet not local members.

FROM: The Board of Governors, Committee Chairmen, and all local members.

Please be welcomed to join our Local Chapter. We meet eight times a year at the Highland Country Club for a Social Hour, Dinner, and a Guest Speaker. As you will see, we have planned our year well in advance and can offer you a chance to meet fellow ASHRAE members, have good meals, socials, entertainment, and educational and technical talks.

Should you wish more information or like to attend any of our functions, do not hesitate to contact any one of the Board of Governors listed on the last page.

TABLE TOP DISPLAYS

May we remind all members that you now have the opportunity to present a new product or technical data in the form of a table top display at any meeting. Any person presenting such a display will be given five minutes during the meeting to outline the display. This is an excellent opportunity to inform and update our industry so lets make use of it. We want such a display for our January meeting. Anyone interested please contact our Technical Chairman, L. Swallow.

TELEPHONE COMMITTEE

We have a hard working telephone committee under the Chairmanship of Walter Lucas, our Vice President. Their function is to ensure that all members are reminded of the meeting a day or two in advance. It is essential that they receive a confirmation of your plans to attend the meeting so we can give the Highland Club a fairly accurate count prior to each meeting. If for any reason you have not been receiving a call please bring this to the attention of Walter at 685-0400. Your co-operation is appreciated.

NEXT BOARD OF GOVERNORS MEETING

Board of Governors and Committee Chairmen are reminded of the next meet at Ontario Hydro at 5:15 on Monday, September 20th, 1982.

SPECIAL LADIES NITE — FIRDAY, NOVEMBER 26th

When it was decided we would combine a Ladies Nite with a regular meeting it was essential that we have a subject that would be of interest to both the members and their Ladies.

We are planning a special treat for Ladies Nite. We will take a Chartered Bus, complete with wine, to Toronto. Then a tour of the Roy Thompson Hall with mechanical systems included. A great dinner at Ed's Warehouse and then Liona Boyd, classical guitarist, in concert, and return home.

A little about Liona Boyd:

In the last 11 years she has recorded eight best-selling albums, played for Princes, Presidents, Prime Ministers and Playboys, filled auditoriums from Paris, Ontario, to Paris, France.

She attended the University of Toronto and completed her Honours Degree in Musical Performance in 1972.

And they call her the First Lady of the Guitar.

For more information about Miss Boyd, refer to March 1982 issue of Chatelaine.

Preparations are still underway and expected costs should be approximately \$80.00 per couple.

We need to know as soon as possible if you wish to attend so that final plans can be made. Please contact **Walter Lucas** or **Don Johnson** and let them know.
