BOARD OF GOVERNORS

Board of Governors and Committee Chairmen are reminded that the Board of Governors Meeting is scheduled for Monday, October 17th, at Ontario Hydro at 5:15 p.m. If you cannot attend, please notify Walter Lucas at 685-0400.

ASHRAE WINDSOR ONTARIO CHAPTER

Please don't forget to contact John Kenney and let him know that you would like to attend on November 19th, 1983. We are looking for a good turnout from our membership.

ASHRAE LAMBETH CHAPTER

There have been rumors from unconfirmed sources, that we are going to sponsor this Chapter too. We wish to inform our members, that it is in fact, only rumors and not to be taken seriously . . . at this time.

TABLE TOP DISPLAYS

May we remind all members that you now have the opportunity to present a new product or technical data in the form of a table top display at any meeting. Any person presenting such a display will be given five minutes during the meeting to outline the display. This is an excellent opportunity to inform and update our industry so lets make use of it. We want such a display for each of our meetings. Anyone interested please contact our Technical Chairman, L. Swallow.

CHAPTER MEMBERSHIP

Higher costs for printing, postage, meals and just about everything else require that chapter membership dues be increased. In order to minimize the expense to all members the Board of Governors has established the following policy for this year:
