Re: ASHRAE Nominating Committee

Dear Membership:

This would constitute a report from the Nominating Committee whereby the following nominations for Board of Governors are:

- President — Don Johnson
- Vice President — John Kenny
- Secretary — Peter Golem
- Treasurer — Charles Clemence

This then, would constitute a full Board and the position of Energy Management Committee Chairman could be filled by Greg James. It would be in order to request further nominations from the floor at the April meeting which I plan to attend.

Yours very truly,

C.R. Morrison
Nominating Committee
Chairman
