ELECTIONS

Election of Officers for the London Area Chapter 1986-1987 will be held at this Meeting.

The Nominating Committee has proposed the following slate of Officers for your consideration:

PRESIDENT — JOHN KENNEY
VICE PRESIDENT — PETER GOLEM
SECRETARY — CHARLES CLEMANCE
TREASURER — GREG JAMES

Installation of Officers will take place immediately following.

Election to the Chapter Office is a distinct honor bestowed upon an ASHRAE Member by his/her peers for his/her efforts, **but more importantly**, in anticipation of placing the Chapter interests on his/her list of priorities . . . it goes without saying, for any Chapter to provide the appropriate and expected service to its Members, the Chapter Officers and Board Members must be committed to the tasks required and specified in the Manual for Chapter Operations, which is necessary to achieve the Society's purpose of advancing the arts and sciences of heating, refrigerating, air-conditioning and ventilating.

CRC - 1986

The Chapter Regional Conference for Region II was held at The Park Hotel at Niagara Falls, May 15, 16 & 17. Don Johnson and John Kenney attended as Delegate and Alternate respectfully. Greg James came down late Thursday afternoon and Peter Golem brought the entire family. Greg and Peter attended the CRC workshops Friday and the Presidential luncheon.

PRESIDENTIAL FAREWELL

I made my commitment to our Chapter four years ago when I was sworn in as Treasurer. I have tried to do my best in all of the Offices I've held since then. In looking back over each Term as it went by, I realized that there were more things I could have done, but time had slipped by too fast. All things considered, I felt I did a very adequate job and the experience I learned, I will never forget. I look forward to serving John Kenney as Past President and Chairman of Research and Promotion.

Donald M. R. Johnson,
President

PRESIDENT ELECT

John Kenney will be sworn in on Monday night. Those of us who have known John all these years and what he can do (Windsor Chapter for example), believe that he will be a mover and a shaker for our Chapter. John will also be supported by an outstanding slate of Officers and Board of Governors, but this is not good enough if we don't have Member support. Please, this is your Chapter too, help support it.

NEWSLETTER CHAIRMAN RETIRES

Unlike other retirees, I won't be selling tickets to my own party. I feel like I've written this Newsletter forever, but I think it's only three or four years. The only way John would let me retire was that I had to volunteer to chair one of the 1988 London CRC Committee openings.
