## LADIES NIGHT

### 1. TIME

Note that the time of events on Ladies Night will be one hour later than regular ASHRAE meeting nights. The times are 6:30 for cocktails and 7:30 for dinner.

### 2. MENU

As usual, we are planning on having a few extra special touches for Ladies Night. We have arranged with the Highland Club for a higher quality dinner than normal. We have also arranged for a litre of wine at each table.

The menu will be:

Caesar Salad  
Filet with oven browned potatoes  
Glazed carrots and broccoli with hollandaise sauce  
Cherries Jubilee with coffee

To meet the additional costs of this meal, we will be charging \$25.00 for guests.

### 3. SPEAKER

Our speaker will be Julia Beck of the London Chapter of the Architectural Conservancy of Ontario. The Conservancy group is a volunteer organization of Londoners concerned about the identification and preservation of unique buildings in the area. On these matters, the group has dealings with City Hall, developers, architects, owners and others who have an impact on historic buildings. As the pace of development in downtown London appears to be accelerating, these issues have become increasingly important to all of us.

## CRC 1988 COMMITTEES

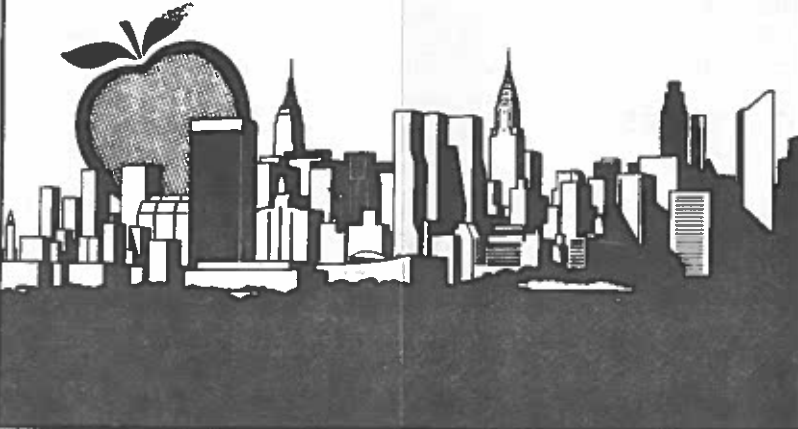

John Kenney has asked for your co-operation in volunteering now for one of the committees organizing CRC 1988 in London. Let's share the work so that one or two individuals are not burdened with all the responsibilities.
