MAY MEETING

The meeting on 25 May will feature a tour of the Victoria Hospital Energy From Waste Plant. We will meet at the plant on Commissioners Road for the tour at 5:30 p.m. sharp.

Following the tour, we will move to the Highland Club for cocktails at 7:00 p.m. and dinner at 7:30 p.m. Part of the important business to be dealt with after dinner is the Installation of Chapter Officers for 1987/88.

The representatives from Fenco Engineering will provide a short technical presentation on the Energy From Waste Plant after dinner.

We are looking for a good turn-out. This is an excellent chance to see the Energy From Waste Plant in the midst of construction. It should be a very interesting evening.
