REGULAR MEETING

Highland Country Club
279 Commissioners Rd. E., London

Monday, April 25th, 1988

Social Hour — 5:30
Dinner — 6:30
Speaker — 8:00

TOPIC
PLATE HEAT EXCHANGERS
D. A. Roach

April Meeting

Nixon Vicarb is a Canadian manufacturer of plate-type heat exchange equipment. The technology originated in Europe, but is rapidly gaining acceptance here. Mr. Roach will outline applications of the technology in the HVAC industry.

May Meeting

Our May meeting will include a couple of special events. There will be a brief presentation by this year's winner of the student project competition. Being the last meeting of the year, there will be installation of the Chapter officers for 1988/89. The featured speaker for the May meeting is still being confirmed.

HVAC Product Show

As announced at the March meeting, we are looking for a small committee to organize a London HVAC Product Show. We have already had one generous volunteer. Please contact any member of the Board of Governors if you can help out.

Golf Tournament

Thursday, June 9 is the day. Try to keep it open, and get your groups together.

Committee Reports

As the year end approaches, we will need to get committee reports put together. These reports will need to be completed by June 1.

Board of Governors Meeting

Board meeting at 4:45 on April 25 at the Highland Club.
