February Meeting

Please make special note of the date change. We have moved the meeting date forward by one week to February 22. This was done because our speaker recently became obligated to travel during the week of February 29.

The February meeting speaker will be Mr. John Smale of Dupont Canada Inc. He will be bringing the most up-to-date information on the reaction of the refrigerant industry to new restrictions on the use and release of Freons and other CFC's.

March Meeting

John Bisset will be our March meeting speaker. His topic will deal with variable volume air handling systems.

April Meeting

D. A. Roach of Nixon Vicarb will be attending our April meeting to discuss the application of plate-type heat exchangers in our business.

'R' In ASHRAE Meeting

The meeting will be held in Chatham and will feature a presentation by Ron Rader of Kent County and John Bisset. The topic will be Energy Management at the Kent County Municipal Building. This will be a good opportunity to meet the Windsor Chapter members.
