RESEARCH NIGHT

Highland Country Club
279 Commissioners Rd. E., London

Monday, January 25th, 1988

Social Hour — 5:30
Dinner — 6:30
Speaker — 8:00

TOPIC
LIEN REGLATIONS
Mr. Wayne McLeish

January Meeting

Wayne McLeish from the law firm of Siskind, Cromarty will be our January speaker. His topic will deal with some of the special legal aspects of lien regulations.

November Meeting

The November Theatre Night was a success. Just over twenty-five couples enjoyed dinner at the Latin Quarter and the play following at the Grand.

Committee Reports

By this time, our Committee Chairmen should have reported their activities to their Regional Chairman. If any Committee Chairman has not yet informed his Regional Chairman of his activity (or lack of it), please do so by the end of January. Otherwise, you likely will have an upset Regional Chairman to deal with.

Upcoming Meetings

FEBRUARY

On February 29th, our speaker will be John Smale of Dupont Canada Inc.. John will be attending the Dallas Winter meeting in January. For our meeting, he will have the latest news on what is happening in the refrigerant industry as they respond to restrictions on the use of Freons and CFC's.

MARCH

The March speaker will be John Bisset. His topic is still to be confirmed.

APRIL

The speaker will be D.A. Roach, P.Eng., representing Nixon Vicarb Inc.. His topic will be the application of plate-type heat exchangers in the HVAC industry.

CRC 1988

As we indicated in the November Newsletter, the plan is now to shift the 1988 CRC Convention from the Spring to the Fall. After juggling some reservations, the most agreeable choice of dates is now October 5 - 8, 1988. As you know, London is hosting the conference.
