March Meeting

From time to time, it has been pointed out that we have not utilized talent from within our Chapter as well as we might. This month our speaker will be John Bisset. John is well known to all of us in the London Canada Chapter. His topic will concern variable volume air handling systems.

April Meeting

Our speaker for the April meeting will be D. A. Roach of Nixon Vicarb. His presentation will be about plate-type heat exchangers in our industry.

Golf Tournament

Block out Thursday, June 9 on your appointment calendar. That is the date of the Annual ASHRAE Golf Tournament. More details will follow.

Membership Upgrading

Please have a look at your ASHRAE membership. You may have been granted membership at a level such as Associate or Affiliate. By now you may be eligible for a higher grade. Upgrading is good for both you and the Chapter. Speak to Dave Henry if you want more details.

Board of Governors Meeting

There will be a Board meeting at 4:45 p.m. on March 28th at the Highland Club.
