NO FRILLS

This is a basic no frills trade show which includes table top displays. The emphasis is on essential facts related to products and services not on fancy exhibits. Yet this is the biggest Manufacturers Trade Show of its kind in Southwestern Ontario. For the first time a special display of Heating, Cooling and Ventilation Products will be available.

For this fourth trade show everybody is welcome, particularly Architects, Engineers, Designers, Specification Writers, Contractors, Boards of Education, Universities & Colleges; also Federal, Provincial and Municipal Representatives.

PLAN TO ATTEND

WE WELCOME MORE THAN ONE REPRESENTATIVE FROM A COMPANY. MARK YOUR CALENDAR NOW AND PLAN TO ATTEND INDIVIDUALLY OR AS A GROUP.
