(MESSAGE) ORIGINAL CHAPTER VISIT

I plan on visiting your chapter for your meeting in Oct 24. Please advise if you would prefer another date.

Since your regular board meetings are held on another night, I would like to have the opportunity of meeting with your board members either prior to or after the chapter meeting. Please advise which is best for me so I can arrange my flight schedule accordingly.

I do not believe there is a flight late enough to return after the meeting so the chapter will have to arrange for accommodations overnight.

Please reply immediately, so that I can book my flight

PAUL JOHN POLLOCK.
