Neil R. Patterson, P.E.
President

Dear ASHRAE Member:

I am pleased to announce the establishment of our new promotional catalog, "The ASHRAE Collection". The enclosed catalog includes ASHRAE approved logo merchandise that you will be pleased to own or give as gifts. You'll find executive gifts, office items, wearables, sports, leisure and travel items.

There is also a special selection of "Centennial" items. I'm sure you'll want to have that special memento to remember this landmark in ASHRAE history. These items will be available throughout the celebration period.

Please take a moment and browse through the catalog. When you've selected the items appropriate for your needs contact the Customer Service Representative at Specialty Atlanta. We have chosen Specialty Atlanta to serve as the fulfillment company for this program. Toll-free phone and fax numbers are being provided for your convenience. These are included throughout the catalog.

I'm sure you'll be pleased with the selection and quality of the merchandise.

A handwritten signature in black ink, appearing to read "Neil R. Patterson".

REGION II NEWS UPDATE

FEBRUARY MARCH 1994

TO: CHAPTER PRESIDENTS - PLEASE PHOTOCOPY AND DISTRIBUTE TO YOUR
BOARD EXECUTIVE MEMBERS, AND COMMITTEE CHAIRS.

CHAPTER MANAGEMENT SOFTWARE

Has your chapter used the Chapter Management Software program that was sent to your chapter secretary in December? May I have your comments on how useful it is. I have just received my copy, hence the centennial logo.

MANUAL OF CHAPTER OPERATIONS

The next issue of this manual is due this spring, and from now on, it will be issued each year, with seven copies to each chapter. The Reference Table that was attached to the Calendar of events that was attached to the July - Aug Regional News Update, will be incorporated in this manual.

CONSTITUTION AND BYLAWS UPDATE

Several chapters have received a request to update their bylaws and constitution. Please review this, and if found to be acceptable, return it to Atlanta with your approval. Do not try to change or add to these documents. If there are other items which are unique to your chapter, include them in your Chapter Manual of Procedures. Items in this Chapter MOP can be easily changed by a vote of your chapter members.

RESEARCH PROMOTION

If your chapter has not yet started your Research Promotion drive, please do so now. Most chapters are ahead of last year, but have to keep plugging to achieve their goal. How about the "Full Circle Award" for your chapter, which was described in Dan Castellan's recent letter to your chapter!

EMPLOYER LETTER OF APPRECIATION FROM PRESIDENT NEIL PATTERSON

President Neil Patterson is continuing the policy of sending a letter of appreciation to those employers who sponsor multiple ASHRAE memberships. He will also send a letter to employers who do not support ASHRAE in this fashion. If any of your members wish this to be done, please advise the names, titles, and addresses of the recipients, and also the ASHRAE members who benefit, or could benefit from this approach.

CENTENNIAL CELEBRATIONS

If your chapter has not yet established a date for your Centennial celebrations, please do so now, and ask your Centennial/Historical committee to advise Cliff Thompson, and also give some idea of the nature of this event.

If 1994-95 is your anniversary (ten year increments), the Society will try to arrange for the visit of one of the officers to attend the anniversary meeting if requested by your president.

Bring your chapter banner to CRC'94 in Ottawa, (not your badge banner) and also some historical data about your chapter. You will be assigned a table in the Reception/Historical room. Coordinate any video you are planning through Cliff Thompson.

TEGA AND REFRIGERATION CHAIRS

Attached is a document "Guidelines for Local & State Building & Fire Codes to understand ASHRAE Standard 15 & 34" which, although not an official document, has information that your committees should find useful.

NOMINATIONS

John Bisset's nomination as DAL, and John Dugan's nomination as DRC for Region II, have been confirmed, subject to approval of the membership.

Each of the three persons who were recommended for the position of Regional Vice-Chair Refrigeration, by the delegates at CRC'93 in Quebec, are ineligible. The CRC worksheet clearly states that they must be full members for three years prior to taking office. Darryl Boyce, the Nominating Committee Member as of November 1993, is arranging for a suitable candidate for this position.

Dear Mr. Ziebart:

Per our conversation of this date, we are cancelling the order for ASHRAE logo items which we received in your FAX dated November 8. I have enclosed a copy of a memo written to our Publication Sales Department asking that they not process the charges against your VISA for these items. As I stated in our conversation, these charges had not yet been initiated and, therefore, no VISA card credit will be necessary, as the charges were never submitted.

When you receive the items which were shipped to you on November 8, we will appreciate your returning them to us.

Sincerely,

C. J. Edwards

Mr. Peter Ziebart

Dear Mr. Ziebart:

In accordance with your FAX request of November 8, we are sending today under separate cover five (5) coffee mugs and coasters and five (5) thermometer/paperweights with the ASHRAE logo. In order for these to reach you before your November 29 meeting, we are sending them via air parcel post.

The costs of these items and the postage were charged to your VISA card.

You mentioned in your FAX that Brenda Stonehouse had sent us a check about four weeks ago. In checking our records, I did not find an order for these items nor a check for their purchase. I did, however, find that an order had been submitted for a Past President's Pin in the amount of \$80.00 (a copy of which is enclosed). Could this perhaps be what you had reference to?

Thank you for your order. If we can be of further assistance, please let us know.

Sincerely,

C. J. Edwards

RE: Canadian Goods and Services Tax (GST)

ASHRAE is exploring further with CPA's and Canadian contacts to gather material to guide the Canadian Chapters in their efforts to comply with the Canadian Goods and Services Tax. In the interim, we thought you might find the enclosed list of Revenue Canada Excise Offices useful in providing a contact for information.

MEMORANDUM

TO: Director and Regional Chairman

FROM: Neil R. Patterson 

DATE: September 22, 1993

RE: Membership Promotion Campaign

During my Inaugural Address in Denver, I asked that you all place very heavy emphasis on Society growth through membership promotion and leadership development. To me, they are a mandate, if our Society is to remain the dynamic organization that we have all come to believe in so strongly.

Throughout this year, and I hope on an ongoing basis, I'd like you to make a concentrated effort to not only reduce regional membership delinquency, but also to cultivate new member growth to meet or exceed a net increase in membership.

As I indicated in my Presidential Address, "There is no greater experience for a leader than reaching down and lifting people up." You, as regional leaders, have an opportunity to do just that!

Reach out to new membership and do them a favor by asking them to join ASHRAE. Remember, the addition of each new member does not just add to our financial resources. I firmly believe that of much greater importance is the experience that the new member brings to our Society to share with other members like yourself.

To help stimulate your membership promotion and leadership development efforts, we have initiated a formal membership campaign. The campaign has two key objectives:

1. Reduce delinquency in your region to 5% or less.
2. Achieve a net growth in membership.

September 22, 1993

As a regional incentive, your Society is willing to contribute to each of your regional funds an amount equal to \$500, if you can reduce your regional delinquency to 5% or less by the end of the Society year.

To supplement this, the Society will also add an additional \$10.00 per member to your regional fund for ever delinquency reduction below the 5% regional goal by year end.

Beyond regional incentives, the Chapter also has an opportunity to share in the rewards associated with member growth. If at the end of the Society year the chapter's paid membership (excluding students) exceeds the area-assigned member count, the Society will contribute \$20.00 for each paid member above the area-assigned count. To provide you with a better understanding of how the program works, an example, as well as your regional statistics, are attached.

Please give this campaign your full attention and support. It's important for the Society--it's important for your region--and it's important for the chapters. Together let's make it happen!

Sincerely,

Neil Patterson
President

FROM: Lilia Singh, Research Promotion Secretary

DATE: September 15, 1993

SUBJECT: Contributor Recognitions for 1992-93

(Please respond by September 27th)

We will prepare certificates for research contributors of \$250 and more and plaques or date bars for existing plaques for contributors of \$500 or more. Plan on presenting these to our leadership investors during one of your chapter's Research Nights.

Attached is our list of investor names. If the REC.TYPE column is INST then the PROPER COMPANY NAME will appear on the certificate or plaque. If REC.TYPE is IND then the PROPER FULL NAME will be used.

Please review and fax or phone any needed name corrections or additions by September 27th (Phone: 404-636 8400 ext. 513 Fax: 404- 321-5478). I will assume that this list is correct if we do not hear from you.

If you plan to recognize contributors in October or early November, please let me know the specific date. We will prepare certificates and plaques in time for your meeting.

Recognition items will be shipped to the 1993-94 Research Promotion Chairman. We need your help in verifying our list.

Thank you for your help.

Enclosed are the preprinted Receipt/Invoice forms for all historical contributors to your chapter.

The contributor number, located on the lower right of the Receipt/Invoice, is our identification number. This number will be followed by the letter "M" for member contributors, and by the letter "C" for corporate or non-member contributors. Generally, you will check a box in the "contributed by" section based on this classification. If there is a change in the contact name for a corporate contributor, or any address change, please indicate this on the form when you submit this year's contribution. Every contributor should have a unique number. Some contributors may have more than one form. If so, please let us know, and we will consolidate their history with one record. Also, let us know about any companies no longer in business.

Please review the list of past research contributors that did not give last year (green pages, Section 7 of RP Kickoff Workshop Manual.) Many may have been overlooked, and others may be in a better position to commit to a research contribution now than they were last spring. Please ask each to invest in research before the calendar year is over. There will be many appeals during the holiday season; however, a contribution to ASHRAE Research is an investment in the future which develops technology that directly affects most of our contributors ability to earn a dollar.

Additional blank Receipt/Invoice forms, PC-001 Summary forms, and ASHRAE Research stationery can be ordered from my office. Should you have any questions, feel free to call.

RE: Upcoming Professional Development Seminar(s) in your Region
DATE: August 20, 1993

Enclosed is a newsletter ad for use in your September/October newsletter(s). Please help us get the word out to engineers in your area who might want to attend by placing this ad in your newsletters prior to the seminar(s). Members who attend will be exposed to nationally and internationally recognized teams of lecturers and will have the opportunity to increase their knowledge of advancing technologies.

I appreciate your assistance in advertising the Professional Development Seminars in your area; the reputation of your chapter will go a long way in the promotion of the seminars. If I can offer any additional information, please do not hesitate to contact me.

SUBJECT: Honor Roll Listing

RESPONSE NEEDED IMMEDIATELY TO MEET PUBLICATIONS DEADLINE

I know you thought your year was completed, but I need your help to assure we include the correct names in the Honor Roll of research contributors for the October Journal.

Please review the attached list of names of contributors to your chapter and let me know by **August 6** if the list is OK or if you find any errors or omissions. You can fax the corrected list to Tom Anderson at 404-321-5478.

Thanks for helping me get the names right.
