## **Speaker: Mr. Jerald Lavender**

Mr. Jerald (Jerry) Lavender has been occupied full time in HVAC industry since 1955 in areas of food processing engineering, HVAC design in Consulting offices, and testing balancing and commissioning of HVAC Systems. Mr Lavender is a ASHRAE Life Member and Windsor Chapter member. Jerry is the coauthor of ASHRAE SPC111 - Standard Practice for Testing & Balancing and a member of Canadian Associated Air Balance Council since 1970. Many of you may know him as the President of Airwaso Ltd which recently relocated from Windsor to London.

## **Topic: Impediments to Design Performance of HVAC Systems**

## **Pre-Dinner Technical Talk: Ed Lainsbury**

Air distribution outlet selection - outlet types, noise, and throw selection criteria

**Location: The Lamplighter Inn 591 Wellington Rd., S.**

### **BUFFET MENU**

Carved Roast Top Sirloin of Beef w/ Red Wine Jus Oven  
Roasted Atlantic Salmon Filet w/ a Chardonnay Sauce w/  
salads, assorted deli meats, chef's potato, vegetables, and  
sweet table

Meal Cost \$32.00, Or Meal Plan \$150.00

Students \$15.00

### **Monday March-25 -2002**

Social—5:15 pm

Dinner—6:00

Program—7:15 (Approx.)

## President's Message

The opening of nominations for officers is a sure indication this year is quickly coming to an end. We have a nominating committee compiling potential names for offices to be voted on during the May meeting. If you have someone able person in mind, please bring that name forward.

We still have lots of projects to finish up before the year ends. The program committee has two very good topics and speakers lined up for the March and April meetings, as well as a noon hour tour scheduled for the new 4-Plex arena at Western Fair in April, and a tour of GM Diesel in May. The Research Promotion committee has had a good start to their campaign and are now kicking the program into high gear, if you or your company has not made an investment in ASHRAE Research yet this year, please do so now, we are committed to raise specific dollar amounts at both the chapter and society levels for ongoing research projects. The TEGA committee assures us we will have at least one project to submit to the Region for the ASHRAE Technology Awards. The Student Activities committee is finishing up with the student awards competition which the chapter sponsors, and of course the year end golf tournament is now set and we are taking bookings for that.

I do hope to see you out on the 25th, and please feel free to invite a guest, testing and balancing of HVAC systems certainly effects all sectors of our industry.

Daryl Somers

## Refrigeration Tour

Western Fair Sports Centre  
 Friday April 12/2002 12:00 noon to 1:30pm  
 light lunch provided (pizza and pop)  
 pre-registration is required (see sign up sheet at March meeting or contact Dennis Dawe at [dennis.dawe@chorley.com](mailto:dennis.dawe@chorley.com) by April 9

## ASHRAE LONDON GOLF TOURNAMENT

**date:** Monday June 3/2002

**location:** Forest City National (scramble/best ball)

**cost:** \$130.00 (dinner and golf)

**contact :** Hugh Palser 519-471-9382 to book your foursome

This year we are hoping to have enough golfers (132 required) so that a shotgun start can be used. Last year we had 108 golfers so we need a few more foursomes to register this year.

## Research Promotion Night

The March Chapter Meeting will be a Research Promotion Night. At the meeting there will be a brief presentation by the Region 2 Regional Vice Chairperson (RVC) for Research, Peter Golem. We encourage members to bring their cheque book and make a donation to ASHRAE Research.
