

Young Engineers in ASHRAE 2011 Social @ Martini Bar

You are invited to attend a night of relaxing drinks with friends and colleagues at the Martini Bar. This event is brought to you by the Young Engineers in ASHRAE (YEA) committee of the London Chapter.

We will be starting at 9:00 PM on Thursday, December 8th. The dress code at this bar is categorized as “dress to impress”, which means nice jeans and a collared shirt for the gentlemen and a casual dress for the ladies.

We all hope that you will be able to join us.

Sincerely,
The YEA Committee
