Past Presidents Night

The London ASHRAE Chapter is very excited to announce its 2nd - "Past Presidents Night". It will be held on Monday January 30th 2012 at the Hilton at 300 King Street. Parking is included for all attending at the Hilton.

We will have some of our past Presidents stand up and share some of their memories and stories of ASHRAE and the London Chapter, which first started in 1971 with Jack Vanstone as the Chapter's very first President.

For all the Past Presidents who attend your meal will be free! Dress code will be in effect with shirt, tie and Jackets for the men and business formal dress attire for the women attending this special occasion.

We do plan on announcing all the Past Presidents who attend and will be taking a group photo to remember the night by.

Mark the date in your calendars we do expect a very large turn out so please let us know in advance if you will be attending, an accurate head count will be necessary to assure enough food for everyone!

We are very excited to hosting the "Past Presidents Night" once again and we look forward to seeing all of you there in January.

Thanks,
