

## **2015/2016 Kick-Start OFFERS**

**MEAL PLAN:** Pay in advance for seven (7) meetings and get a **discounted rate** of only \$250! That's just \$35/meeting, whereas standard rates are \$50 for ASHRAE Members or \$60 for non-Members. Come to our meetings and don't worry about finding an ATM on the way!

**NEWSLETTER ADVERTISING:** This program offers a business-card sized spot in our newsletter which is published eight times during the season and reaches all members of our London Chapter. All this for only \$100 per card for the **whole season!** Return this form, and our team will contact you regarding your advertisement image.

**STUDENT SPONSORSHIP:** Our Chapter prides itself in having a strong tradition of student participation. This program offers the opportunity to assist in offsetting the cost of student meals to the local chapter and supporting our local student chapter.

**ASHRAE CANADA RESEARCH:** This is your chance to support the work ASHRAE does by funding local research to produce the standards and reference material that we use every day. Also, if you donate August/September, we'll **highlight your company logo** in our newsletter as a strong supporter of ASHRAE Research. Say "Yes" to research!

---

### **YES, I want to take advantage of these Kick-Start offers!**

*Please enter the dollar amounts as appropriate for your needs . . .*
