Chapter President's Message

To ASHRAE London Chapter Members

I am Rajan Deenadayalan, your ASHRAE London Chapter President for 2022/2023. I am an Industrial Refrigeration Engineer and Project Manager for Drennan Refrigeration Inc. in London ON. Myself and our BOG team is very excited to serve our membership by promoting peer to peer networking, continuous education on new trends and technologies and opportunities for students to get involved in HVAC/R industry.

It's been a tough past 2 years for all us due to COVID pandemic and restrictions. We could not organize any in person meetings since February 2020 due to pandemic. I take this moment to inform you all we are going back to in-person meetings for the year 2022/2023. Few items I want to highlight as below:

- September 26th is Chapter Golf Tournament Day. it's a great opportunity to see people from industry and spend a nice day at Fire Rock Golf Club.
- October 24th is a technical meeting. Please check chapter website for more details on venue and speaker/ topic. Registration link will be available soon.
- For this year, we are aiming to bring interesting meeting topics which are informative, useful innovative and up to current trends in industry.
- Various sponsorship/advertisement opportunities are available within chapter including Research Promotion donation, student meal sponsorship, table top display in meetings and business card display in newsletter. Your contribution helps to run local chapter operations and ASHRAE society in development of novel technologies, standards, bulletins and technical books.

If you know anyone who wants to join London ASHRAE Chapter, please contact chapter membership chair.

If you have any questions in the meantime please reach out to the BOG. You can also contact me directly at rdeenath@drennan.on.ca. We are looking forward to see you all soon.
