# Tech Awards Deadline March 20<sup>th</sup> 2025

# Women in ASHRAE (WiA)

- Founded by ASHRAE Society's Members' Council in 2018 in Chicago.
- Official ASHRAE chapter-level committee.
- ASHRAE Hamilton WiA co-chairs:  
Robyn Ellis & Leslie Smith

## **Our Mission:**

The mission of the Women in ASHRAE (WiA) committee is to promote the addition and retention of women in the built environment by encouraging opportunities for professional development and leadership. We strive to unite women from various occupations including engineering, construction, project management, property development & ownership, equipment sales & manufacturing, architecture and more. We hope to foster mentoring relationships among these professions to create a network of women supporting women in our Region.

**Get Involved!**

# WiA ASHRAE Hamilton Chapter

DL visits, tech tour, socials and more!

# Today's Women in ASHRAE initiative

In the spirit of women in ASHRAE and decarbonization, we are giving away 50 copies of the Lucy Goes Green Children's book.

If you do not get a copy and would like one, please reach out to a volunteer!

## Lucy Goes Green

In the second book of the series, Lucy goes with her classmates on a field trip to a sustainable farm, where they learn about storing energy using solar panels and windmills and recycling water through rainwater collection.

# The Final Stretch for the 2025 Program

Join your ASHRAE Chapter for a  
**Curling Social**

Hosted at  
**Burlington Curling Club**

**March 14th 2025 • 3:30 PM**  
Beginners Welcome

Join your ASHRAE Chapter for a  
**Technical Debate**  
Filtration Vs. Ventilation

Vs.

**April 10th 2025 • 5:15PM**  
**The ASHRAE 62.1 Story**

Join your ASHRAE Chapter for a  
**TECH SESSION**

**Mark Fly**  
Distinguished lecturer

**May 13th 2025 • 4:30PM**  
**Failure is the Option**

# Ginger Scoggins-Distinguished Lecturer

Ginger Scoggins is a licensed mechanical engineer with 30+ years of experience and President/Co-owner of Engineered Designs, Inc., which she founded over 25 years ago. She specializes in high-performance building design and commissioning for projects ranging from \$4M to \$90M. An ASHRAE member since 1988, Ginger has been a trailblazer—first female president of the Triangle Chapter, first female Regional Vice-Chair, and first female Director & Regional Chair for Region IV. She is an ASHRAE Fellow and the 2023-24 Society President. Her leadership spans key ASHRAE committees, including CEC, Technology Council, and Member's Council. Professionally, she has worked across sectors like labs, telecom, mission-critical spaces, and education, also commissioning projects for schools and the military.
